Published in cooperation with the Radiological and Medical Physics Society of New York (RAMPS), the Diagnostic and Therapy Exams have approximately 140 questions each. General questions are included in each version. A separate answer booklet for each examination is included with purchase that provides explanation for the correct answer. The Raphex exams are a useful advance study guide or practice test for the 2019 ABR Core Exams.

\$45.00

The **Raphex 2019 Diagnostic Exam** has image-based questions to more closely match the format of the American Board of Radiology (ABR) Diagnostic Core exam. This exam features some color images.

The **Raphex 2019 Therapy Exam** includes topics in IMRT, VMAT, IGRT, SBRT, plus other techniques. Traditional topics in previous exams are still covered. The exam matches ASTRO's current physics curriculum guidelines for resident instruction.
